

FOOD SECURITY - PART 4

RAN OUT OF FOOD

OVERVIEW

The survey for the Community Poverty Reduction “Know How” Project was conducted in August 2021. There were in total 2376 respondents from the Tavush, Lori, and Shirak Marzes.

The World Bank Report "The many faces of Deprivation: A Multidimensional Approach to Poverty in Armenia" (2017) states that 16.98% of households are not considered to experience multiple deprivations, however they live below the upper national poverty line.
